New York's Finger Lakes covers 9,000 square miles from the southern shore of Lake Ontario to the Pennsylvania border and encompasses 11 parallel lakes spanning the center of New York State like a giant handprint. Join us on this one of a kind tour.

Day One: We make our journey out to the Finger Lakes Region of NY and Syracuse, NY. This afternoon we will tour the **Erie Canal Museum** - dedicated to showcasing the 1850 National Register Weighlock Building, the last remaining structure of its kind, and to telling the incredible adventure story of the Erie Canal. Then it's onto our home for the next two nights is the magnificent **Turning Stone Resort and Casino**. Choose your accommodations of either the traditional "Hotel" rooms or upgrade to the luxurious "Tower" rooms at Turning Stone Resort, the tallest building between Albany and Syracuse. This 19-story magnificent tower features spacious guest rooms, and breathtaking panoramic views of the countryside. Spend time enjoying the amenities of the property such as the pool, spa, golf course, or of course the gaming floor. Turning Stone Resort is one of the Northeast's premier gaming facilities, offering ... more than 120,000 square feet of gaming space; 2,439 cashless multi-game machines; 87 tables for games; 32 table state-of-the-art poker room; The Oneida Indian High-Stakes Bingo Hall – ranked as one of the top ten in the United States. Big winnings are in your future at this casino! **A \$100 Meal Credit as well as a \$50 gaming voucher is included as part of your package.**

Day Two: Enjoy **breakfast** before we head out to explore the Finger Lakes region. Today you will experience a taste of life in the 19th-century. Enjoy a visit and tour of **Secretary of State William Seward's home**. William Henry Seward was one of the foremost politicians of nineteenth century America. Seward was a New York State Senator, Governor of New York, a United States Senator, and served as Secretary of State in the Lincoln and Johnson administrations. The elegant interior has been restored to its original beauty and features an unmatched collection of political and travel souvenirs. Our next stop is to beautiful and renowned **Skaneateles NY for a scrumptious luncheon cruise out on the lake**. As a favorite spot for many celebrities and dignitaries such as the Clinton's, you never know who you might run into. Then it's off to **One of Our Favorite Finger Lakes Vineyards for a tour and tasting**. The region is known for producing quality dry red wines such as award-winning Cabernet Franc, Cabernet Sauvignon, Pinot Noir and the popular Italian varietal Sangiovese, as well as some of the best white wines east of the Mississippi River. Relax enjoy the enchanting views of the winery and delight your taste buds. We return to the resort and casino early enough for a fun-filled evening of entertainment and winnings.

Day Three: Enjoy another relaxing morning and **breakfast** at the resort. We are throwing a whole new twist into our program for 2024, allowing our guests the time to enjoy the resort and it's incredible amenities today.
