National Museum of Racing and Hall of Fame - The National Museum of Racing houses a diverse collection of art, artifacts, and memorabilia that seeks to document the social, economic, political, and cultural history of Thoroughbred racing in America from the eighteenth century to the present. While here we will enjoy a guided tour of the museum. Film selections from the National Museum of Racing Collection will be shown in the Hall of Fame while on our visit. Current films showcased include profiles of the 2016 Hall of Fame Class, selected historic Travers Stakes races, and the short films "Blue Grass" and "Hedge Hoppers." Please note that the Hall of Fame reserves the right to change out the films at their discretion.

Lake George Cruise - Upon our arrival to the Lake George area we will take a 2 Hour *Scenic Dinner cruise* of beautiful & historic Lake George on board the *Lac Du Sacrement*. This two hour cruise on the crystal clear waters of Lake George explores the southern half of Lake George where large historic mansions line the shores below scenic mountains. Lake George is alive with history. Also included is entertainment on board the cruise making it a fun-filled evening out on the lake.

Saratoga Race Course - The historic city of Saratoga Springs NY started out as a quiet little settlement with beautiful scenery and magnificent natural springs. As more and more people learned of its healing mineral springs, the area quickly grew into a luxury resort city with the rich and famous from all over the world making a point to visit the famed "Spa City" and experience the springs for themselves. The historic *Saratoga Race Course* opened in 1864 and is home to the oldest major thoroughbred horse race in the US. We arrive early to the track with *Reserved Grandstand seating and special lunch package*, with plenty of time to see the horses in action. While here don't forget to take a chance on a horse. You never know, you might be a big winner! We will enjoy a rest-stop on the way home with dinner on our own.
