Trip to The Fuller Art Museum

Come to Fuller Craft Museum and discover the world of contemporary craft! One of the exhibits includes the Red Dress. In 2009, British artist Kirstie Macleod sat in a London café, and on the back of a napkin, she sketched a garment that would travel the world. Now, nearly fifteen years later, this project with humble beginnings has become a global embroidery phenomenon: the Red Dress.

**Tuesday, May. 7th
Time: 9 am - 3 pm**
